EXPERIENCE

Publicis Groupe
May 2024 - Aug 2024

Creative UIUX Intern

Designed Huawei Connect website and contributed to Lee Kum Kee Design System. Created visual assets for Google I/O Connect to promote Gemini AI and attracted thousands of participants. Explored commercial use of AIGC for Hisense, producing visuals with Midjourney, Stable Diffusion, and Runway, 4 videos out and got hundreds viewers on Instagram.

iQIYI
Oct 2023 - Jan 2024

Creative Assistant

Created visual assets for The Rap of China, including stage visuals and promotional materials for the show's launch. The campaign gained strong audience engagement, with the live broadcast on Tiktok attracting hundreds of thousands of views.

XIVO Design
May 2022 - Jul 2022

Product Design Intern

Engaged in the design process for multiple products, contributing to the development of both 2D and 3D visuals using tools such as Adobe Illustrator and Cinema 4D to enhance visual storytelling and user experience.
